BACKGROUND AND WORK:

Tarik Redouani's artistic career began at the Charleroi Academy, but he is largely self-taught and has produced most of his paintings independently. Born in Casablanca, his nostalgia for the sea naturally led him to create paintings flooded with the blue he loves so much and masters so perfectly. His technique of painting with oils on raw canvas creates a unique texture. This series is a beautiful invitation to relax and travel.

Your company supports artists whose paintings are on display for your enjoyment. Each work is unique and original. If you fall in love with one of them, all the works are for sale. You can contact us or reserve the work of your choice on our website www.littlevangogh.be. We hope you enjoy discovering our collection.
