BIO:

Bauçan is a painter, musician, filmmaker and poet born in Montreal in 1968.

BACKGROUND:

An international artist, his paintings have been exhibited in New York, Paris, Kyoto, Brussels, Cologne, Toronto, Brittany... One of his paintings can also be seen in the film 'Beyond Borders' starring Angelina Jolie. Eager for adventure, he crossed Baffin Island on foot and travelled across Canada by hitchhiking. At the age of 26, he invented and designed an antique paper camera. After selling his invention, he travelled for three years, from the Czech Republic to North Africa. Since 2004, he has been living and painting in Thailand.
