BIO :

Miche Bauwin was born on 27 February 1955 in Brussels.

CAREER :

After studying art, Miche Bauwin moved into advertising. Alongside her career as a graphic designer, she took up oil painting by attending classes at the Academy and studying under leading masters. Having produced numerous illustrations and designed fabrics, Miche Bauwin has devoted herself exclusively to oil painting for the past fifteen years.

WORK :

In her latest works, she expands her artistic style infinitely and develops a complex and subtle art of monotype, which, beneath a surface that remains forever indecipherable, reveals the true key to her imagination.
