BIO :

This Italian-born artist has lived in Belgium for over 30 years.

BACKGROUND :

He began as a self-taught painter and then enrolled in Jean-Pierre Gonthier's class at the Namur Academy of Painting.

HIS WORK:

The series he presents here is a study on the theme of the horizon: the meeting of two coloured bands, often emphasised by the addition of a third colour, harmoniously blended and applied with a knife. This technique allows the colours to blend with strength and balance.
