BACKGROUND :

Catwyck has been pursuing an artistic education since secondary school, studying fine art at the Institut Montjoie and later applied visual arts at St Luc in Brussels. Higher studies in painting restoration at ENSAV de la Cambre provided him with considerable technical skill but left him lacking in expression. A period at the School of Arts in Braine-l'Alleud with Jean-Marie Mathot confirmed his path towards oil painting.

WORK :

To date, her subjects have been drawn from her daily life, her travels and whatever strikes a chord with her. Her interest lies in buildings, light and its reflections, and the movement of people in this bustling world.... Now self-taught, she has her own studio in Bousval.

Your company supports artists whose paintings are on display for your enjoyment. Each work is unique and original. If you fall in love with one of them, all the works are for sale.
