BIOGRAPHY: Born in 1933, René Collienne lived and worked in the Verviers region of Belgium.

HIS WORK: Using multiple variations of colours and spontaneous lines, René Collienne recomposes nature and its creators. Over time, raw and wild nature gradually became more structured and subdued, gradually transforming into a series of more structured compositions, welcoming more colourful areas and gradually abandoning the fiery strokes that burst forth from his earlier canvases.

Your company supports artists whose paintings are on display for your enjoyment. Each work is unique and original. If you fall in love with one of them, all the works are for sale. You can contact us or reserve the work of your choice on our website www.littlevangogh.be. We hope you enjoy discovering our collection.
