HER BIOGRAPHY, HER BACKGROUND :

Born in 1954 in Toulouse, she developed a passion for drawing and painting from a very young age. However, she turned her attention to cinema, studying film in Paris whilst continuing to paint. She also studied sculpture, which influenced her use of materials in her paintings, which are often created using mixed media. Furthermore, Marion Delhorbe 'discovered' Feng Shui. She studied it for many years and obtained two diplomas as an expert in Western Feng Shui. Her approach to painting is imbued with this spirituality.

HER WORK :

She seeks to reveal the beauty in the world, that which brings contemplation and serenity. She travels extensively and captures this desire to share her emotions on her canvases.
