BIO :

Karin Hintz was born in Hamburg, Germany.

BACKGROUND :

She studied various art forms, including at RHOK in Woluwé-St-Lambert, and supplemented her training with several internships in Trier (Germany) and St. Restitut (France). Since 1994, she has participated in several group exhibitions in Belgium.

WORK :

Her motto is 'colours above all else'. In this series, which Karin Hintz has named "New Season", the motif is a pretext for letting colours speak with subtle, muted rhythms, marking a pause in our world saturated with moving and often aggressive images. Thousands of touches of colour, applied almost dry, respond to each other, overlap, intertwine and blend to create a life of their own, an invitation to step into a new reality : the painting.
