**BIOGRAPHY :**

Stef Houbrechts is a Belgian artist from the Leuven area, born in 1969.

**BACKGROUND :**

After five years at the Academy (SLAC), Stef Houbrechts began to develop his work, refine it and showcase it through solo exhibitions and art events such as the Accessible Art Fair in Brussels, Art Perform, Slowart and Parklife.

**HIS WORK :**

The central theme of his work is 'Connections'. Whether the work is figurative or abstract, what interests the artist is the way in which the various elements of the canvas are connected to one another. In this series, the focus is essentially on abstract forms that connect with one another, sometimes by chance, sometimes in a deliberate manner. The connections between the various elements that make up the canvas are thus sometimes broken, repaired, erased or reinforced.

Through his work, the artist also seeks to connect with the viewer. He regards his work as a stimulus that allows him to connect with the viewer, creating a visual conversation.

Connect... is there a spark ?
