**BIO :**  
Margit Huy is a German artist who lives and works in Brussels.

**BACKGROUND :**  
For many years, she attended painting courses in Germany, Austria and at the Ateliers Malou. She worked for thirteen years with a renowned German teacher and painter in Provence; since 2001, she has worked with him every year at the 'Thüringer Sommerakademie' (Thuringian Summer Academy).

**WORK :**  
For the artist, the essence of her painting lies in colour and the way she can apply, combine and blend it. Colour is energy and emotion. It allows her to create a pictorial space, a world that lives and speaks for itself.
