BIO :

Louis-Philippe Lefebvre was born in Uccle in 1956.

CAREER :

He trained as an artist at the Royal Academy of Fine Arts in Brussels, where he was awarded two honours: the Prize for Excellence and the Government Prize. He subsequently became an assistant in the Academy's painting studio.

WORK :

He paints compositions born of the imagination, a delightful blend of figurative and abstract elements. The vivid colours of his canvases, imbued with music, emotion and humour, invite us to reflect on humanity and the world around us.

Your company supports artists whose paintings are on display for your enjoyment. Each work is unique and original. If you fall in love with one of them, all the works are for sale.
