BIO:

Angelika Loher was born in Austria in 1945 and has lived in Belgium since 1993.

BACKGROUND:

She studied art at the RHOK in Woluwé-Saint-Lambert. She has already participated in several exhibitions both in Belgium and abroad.

WORK:

Angelika Loher's series is a study of the theme of time. The shapes she constructs in her paintings attempt to counteract the chaos and limitations of time. Through their colours, transparency and light, Angelika Loher's works convey nostalgia, love, warmth and the ease of being. The lines that run through her canvases are the marks of time (yesterday, today or tomorrow) that we all face.
