BIOGRAPHY :

Wolly Moly was born in Brussels in 1968.

CAREER :

A self-taught painter with a contemplative nature, he explores a recurring theme: the passing of time.

WORK :

Through his series 'Every moment is a colour', Wolly Moly seeks to create a sense of movement whilst simultaneously freezing it in time. The handwritten dates symbolise his act of painting in the present moment and the passing of time.

He thus seeks to find a way to leave his mark on both the passing of time and his own passage on earth, both symbolically and physically.
