## ABOUT HER :

Micky Pierrard is a graduate of various art schools in both Belgium and Germany (in Trier). She has already taken part in several group exhibitions.

## HER WORK :

The recent major changes in our society have had a profound impact on her and served as a source of inspiration. Her very free brushstrokes offer us a multiple and simultaneous vision of two planes. She returns to allegory and navigates metaphysical realms. It is the experience of a subject in the world that is presented to us, and through the superimposition of another subject—the comic book characters—they show us the way forward.

Your company supports artists whose paintings are on display for your enjoyment. Each work is unique and original. If you fall in love with one of them, all the works are for sale. You can contact us or reserve the work of your choice on our website [www.littlevangogh.be](http://www.littlevangogh.be). We hope you enjoy discovering our collection.
