La Grace (Grace Ruhnare) lives and works in Brussels.

BACKGROUND:

A self-taught artist, she began painting in the early 2000s, drawing inspiration primarily from the spiritual values that permeate her life. She has exhibited in several exhibitions in Italy, Namibia, Tanzania and Brussels.

WORK:

Her creations are also inspired by the incredible beauty of the things and beings that surround us. Her great passion for colour and texture is expressed in her painting, and her technique is constantly evolving. This series of oil paintings is the result of several years of research. It certainly marks a turning point in her art. The canvases are both robust and light, material and reflection, a pleasure for the eye to immerse itself in without getting lost...
