BIO :

Joris Van Gansbeke is an artist from Brussels.

BACKGROUND :

Already working as a self-taught artist in the late 1950s in the Rouge-Cloître area (Auderghem, Belgium), where he came into contact with former masters, Joris Van Gansbeke continued his artistic training at the Watermael-Boitsfort Academy

APPROACH :

He immerses himself in corners of nature and then sets out to capture and recreate their calm and serenity. In this new series entitled 'Woods', Joris Van Gansbeke wanted to capture these landscapes in an impressionistic way and freeze the sublime and mysterious nature of our forests at a precise moment in time.
