WORK :

Nathalie Clément works primarily in acrylic on canvas and presents a figurative style with elaborate colour schemes that sometimes border on abstraction.

She continually develops her creativity by experimenting with a wide variety of techniques and themes. Here, she focuses on close-ups of fruit.

Her works are imbued with a very strong feminine sensibility and an undeniable joy in painting. This creates a sense of freshness and calm for the viewer.

Your company supports artists whose paintings are on display for your enjoyment. Each work is unique and original. If you fall in love with one of them, all the works are for sale.
