BIO :

Hubert Jodocy was born in 1943 in Frankfurt am Main.

CAREER :

He has taken part in numerous group exhibitions, including several held in the beautiful setting of Karreveld Castle.

WORK :

"Hubert Jodocy's approach combines often mathematical and geometric concepts with the sensitive aspects of painting executed freehand and without guidelines, a way of circumventing rigour."

(CLAUDE LORENT - La Libre Belgique)

"Hubert Jodocy's art is purely a matter of forms, colours and structures; it would be pointless to search in vain for any message or romantic content. The artist, moreover, acknowledges a natural inclination towards logic and analytical thinking. Despite their obvious neutrality, his paintings express subtle optical effects."

(OLIVIER DUQUENNE - Historien de l'art)

Your company supports artists whose paintings are on display for your enjoyment. Each work is unique and original. If you fall in love with one of them, all the works are for sale. You can contact us or reserve the work of your choice on our website www.littlevangogh.be. We hope you enjoy discovering our collection.
