BIO :

Sara Saraoui is an artist born in Algiers who lives in Brussels.

BACKGROUND :

The artist graduated with a degree in Fine Arts from the École Supérieure d'Alger in 2007. After successfully participating in numerous competitions in Algeria, Sara Saraoui moved to Belgium, where she continued to develop and refine her painting.

WORK :

The female portrait is the main subject of the artist's work. Her style is characterised by a certain sensitivity and a use of colour that recalls her North African origins. The delicacy and economy of means used to depict facial features is reminiscent of a certain MODIGLIANI.
