BIO :

Anne Everard de Harzir is a painter based in Brussels.

BACKGROUND :

She trained as an artist at Alain Laurent's studio in Versailles, where she learnt the techniques of oil and acrylic painting. She then began her career with 15 years of hyperrealist commercial illustration before devoting herself exclusively to her art. Her work has been exhibited in numerous prestigious galleries, notably in Paris, New York, Luxembourg, Brussels and Knokke-Le Zoute.

ARTISTIC APPROACH :

Although she does not deny it and occasionally turns to more abstract work, hyperrealism remains the central theme in her work. Whether through her drawings, her portraits, or when she paints people or nature, she never fails to enchant us.
