BIO :
Lives and works in the Pyrénées-Atlantique region.

HIS WORK :
xxxAlain Huet is a painter of nature, powerful nature, combining glaciers, steep cliffs, raging seas, wind and dazzling light. He unconsciously absorbs all these elements. The images Alain Huet presents us with are closer to dreams than reality. These images appear on the canvas, sometimes accidentally detached from the instinct to work, from intelligence perhaps? The artist offers us a series of landscapes and environments tinged with the red earth of the Toulouse region, the cold, pearly blues of the Pyrenees mountain range and the golden calm of the ocean beaches.

Your company supports artists whose paintings are on display for your enjoyment. Each work is unique and original. If you fall in love with one of them, all the works are for sale. You can contact us or reserve the work of your choice on our website www.littlevangogh.be. We hope you enjoy discovering our collection.
