BIO :

Born in 1974 in Brussels, Stéphanie Maillart lives in Antwerp.

CAREER :

After studying interior architecture at Saint-Luc (1993–1997), Stéphanie turned her hand to painting, interior design and graphic design.

WORK :

Stéphanie Maillart draws inspiration from music to express her vision.

Her technique is free-flowing and gives rise to serendipitous effects on the canvas.

An inspiring melody plays on a loop; the moment is perfect... and time ceases to exist. Light plays with shadows. She invents a pictorial reality that makes the material dance, bringing it to life on the canvas.

It is a journey into the depths that seeks to reveal the essence of music and the sensations it evokes.

Her style is impulsive, instinctive and, paradoxically, calculated.
