BIO :

Vero Rigole was born in Ghent in 1964.

BACKGROUND :

She studied Fine Art at the Sint-Lukas Academy there and subsequently continued her artistic training at the Sint-Lucas Academy in Brussels.

WORK :

"I start from a very neutral place, allowing energy to find its own path through various media: painting, collage, mail art, upcycling and textiles. I have no preconceived plan when it comes to creating a piece and I work on instinct. My hallmarks are: sensitivity, lucidity, pure light = colour, pure energy in relation to nature and the universe. This energy of colour and form draws on the unconscious and brings about transformations through movement. Art serves as a mirror."
