Biography :

Born in Beijing in 1960, he began painting at the age of 8 and studied calligraphy and traditional Chinese painting in the studio of Master Li Kuchan and ZHUANKE under Master PAN Tianshou.

Career :

Noticed and encouraged by his master, he exhibited his works and, at the age of 21, won first prize in the student calligraphy and painting competition at Peking University II. However, his artistic expression was inspired by a sudden fascination, upon his arrival in France in 1989, with the strange and fascinating world of the painter Nicolas de Staël, which helped him discover his true self.

Work :

Displaying impressive artistic maturity that straddles abstraction and figuration, a sense of mystery hangs over his works as they seek discovery, with their dazzling variations in line and light in a breathtaking style that skilfully blends subtlety and suggestiveness.
