BIO :

Rezo was born in Brussels.

BACKGROUND :

Now a painter and graphic designer, he trained at the Watermael-Boisfort Academy of Fine Arts.

ARTISTIC APPROACH :

Rezo practises abstract graphic painting, based on a blend of visual elements drawn from various fields: graffiti, cartography, comic books, infographics, scientific imagery... The paintings are created through successive layers and additions, which gradually transform the image and create strata—some visible, others not—thus lending depth to the canvas's surface, through which the viewer's eye can wander.

Ultimately, the images do not depict anything in particular, but everyone may find in them a distant echo of familiar elements, and can thus create their own personal interpretation.
