Christian Ahn experiments with colour. He does not need a subject to work on. He explores ways of applying paint to surfaces. His colour combinations are sometimes light or dark, warm or cool, pure or muted. Side by side, his colours shift, intensify, vibrate and complement one another. His paintings are transformed simply by turning them. Some are best viewed from a distance, others up close.

Your company supports artists whose paintings are on display for your enjoyment. Each work is unique and original. If you fall in love with one of them, all the works are for sale. You can contact us or reserve the work of your choice on our website www.littlevangogh.be. We hope you enjoy discovering our collection.
