BIO :

Fumiko Ishikawa was born in Sendai, Japan, and has lived in Belgium since 1972.

CAREER :

She is a graduate of the Joshibi University of Art and Design in Tokyo and the École des Beaux-Arts de Wavre. Fumiko has already taken part in several solo and group exhibitions in Belgium, as well as in Japan, France and Monaco. She has received numerous awards, testament to the high quality of her work, her great originality and her highly personal style.

WORK :

The series we are presenting is semi-abstract. Fumiko projects her inner visions onto her canvases. A festival of colour and light, her compositions exude a captivating harmony, a subtle balance between Eastern and Western cultures.
